## ENGAGEMENT SHOOT

This can take place anytime before the big day! Perhaps at a location that has some meaning to you both? As long as it's within a 50 mile radius of my location, this will be fine, we have some stunning locations near us... perhaps we can tempt you?

## PARENTS ALBUMS

Parents albums are exact copies of the main album as are the smaller albums that we suggest you can give out as gifts. Extras of these albums can be purchased separately.

## SLIDESHOW

For those of you that enjoy our AILSA and BALMORAL package, the slideshow is free of charge, it will include your first dance music plus other tracks. The slideshow can be purchased separately too.

## ONLINE GALLERY

The online gallery is password protected and cards with the allocated password will be on the evening reception tables. Your family and guests will be able to download the images free of charge saving to a lot of timewhen guests ask you for their images.

## UNIQUE SIGNATURE BOARD

A signature board with an image from your engagement shoot, your guests can just sign or leave you a loving message. You can then either change the image to one of your wedding day and I will frame it for you.

## 1ST ANNIVERSARY SHOOT

As it says on the tin .... coming up to your first anniversary, we will head off and have a couple of hours photo-shoot, again, you will receive all images from the day as a little memory of your first year as a married couple.

## ALBUMS & ALBUM BOXES

Italian leather craftsmanship and the finest acrylic bonding are applied to your stunning personalised album. You deserve the best.
